Visiting Artists are expected to engage regularly with studio renters, artists and patrons by attending Open Studio drop-in sessions (5 hours every 2 weeks), informal critiques, exhibition openings and other events throughout their stay.

Furthermore, Visiting Artists will become members of the Society of Northern Alberta Print-Artists and sign the standard SNAP Printshop rental agreement outlining terms of use and liability. One print or artist proof from each edition printed during the residency will be given to SNAP's print archive. One (or more) print(s) will be donated to SNAP to be sold for fundraising purposes.

SNAP is a non-profit, artist run centre for printmaking. Our facility is well-equipped to work in etching, letterpress, relief, silkscreen, plate lithography and darkroom processes.
