

SNAP

Special Events Committee Expression of Interest

About This Volunteer Position

SNAP's Special Events Committee is looking to gain new members! This volunteer position is a commitment for two years of roughly 6 - 12 hours a month (depending on the event being planned and executed). June, September, and November are often when committee members are needed most.

The committee meets roughly every two weeks to brainstorm and plan upcoming events which total four annually. Many of these events repeat each year but take on new themes. Our current roster of special events consists of Blockout, Print Affair, Print Night, & Drink And Draw.

The Special Events Committee takes all kinds of minds and hands to complete an event successfully. Ideally everyone on the committee brings something unique to the event such as design skills, marketing knowledge, creative event ideas, different perspectives for input, musical connections, copy writing, fundraising, sponsorship and donor development, but above all the desire to create engaging community events!

SNAP

Special Events Committee Expression of Interest

Please email this completed form to: communications@snapartists.com no later than: **Aug 15.**

Please Note: SNAP will not be able to accept all applications to the Special Events Committee. We hope that those who we are unable to accept will continue to apply in the future.
